

Download the Empower RetireSmart mobile app

With a 4.6-star rating on the App Store® from Apple®, the Empower RetireSmart app is the easiest and fastest way to connect with your workplace retirement account.

The app lets you:

- Enroll in your new retirement plan or log in to your existing account.¹
- Easily manage your contributions and investment selections.¹
- Turbocharge your savings by setting an automatic contribution increase.¹
- Schedule a call with a roll-in specialist.
- View your account balance, investments, rate of return, document delivery preferences and more!

And with the latest authentication features, including fingerprint and facial recognition,² you can safely access your account in seconds without having to remember a username and password.

Download the app today!

To find the app, search for *RetireSmart* in the App Store from Apple or on Google Play™.

1 Account management features may vary depending on your company's plan.

2 Biometric authentication features not available on all devices.
